

- thermo manometer
- black steel nominal size 80 mm
- lower mount
- process connection copper alloy
- pressure element copper alloy
- movement copper alloy
- accuracy class 2,5% f.s.
- dial aluminium white with pointer stop pin
- index aluminium
- window plastic
- thermometer element copper alloy

Model MAPTR80

process connection

Range	Unit	3/8" cylindrical gas	3/8" npt	3/8" conical gas
